

# How To Play Cornhole

## GAME SETUP:

Find a nice flat surface on your lawn, in a parking lot, the beach, etc. Set up your boards directly facing each other with 27 feet between the front edge of each board. Cornhole can be played with 2 or 4 players. Pick which side of the board you'll throw from. In a 4-player game, your partner's pitching box will be directly across from you. In a 2-player game, if you start throwing from the left side of the board, you'll walk directly across to the other board, and throw back from the right side. Lastly, pick your bags (4 for each team) and get ready to play!

## GAME PLAY:

Decide who goes first (usually the ugliest person) then take turns throwing bags with your opponent. You throw one bag, then your opponent, then you, then your opponent, etc. Your feet may not go past the front edge of the board. If they do, a foul is called and you get pelted with cornhole bags. Also, a tossed bag may not touch the ground. If it hits the ground and bounces up on the board, remove it before any other bags are thrown. If its hanging off the board and touching the ground, remove that as well. When all 8 bags have been tossed to the other side, add up the score (see scoring below). If you earned the most points in that single round, your team will throw first in the next round.
